

DISCOVERING THE WORLD THROUGH GIS

GISday 2015 Program

GIS Day a good initiative for people to learn about geography and the uses of GIS.

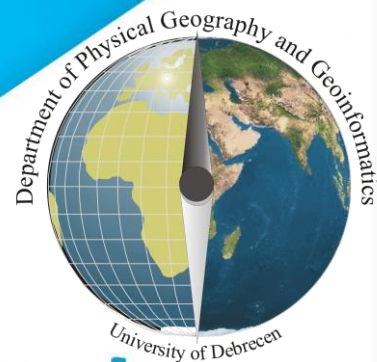

Join to our event and go ahead for a beneficial discussion with GIS experts.

Our guests:

- ◆ **Antal Zsuga**, TIVIZIG
- ◆ **Gábor Tamás**, HNPI
- ◆ **Gergő Gyula**, BGT Hungaria Ltd.
- ◆ **Gábor Kákonyi**, GeolQ Térinformatikai Ltd.

We will discuss all about GIS, work issues, work expectations.

You are very welcome to participate in the event!
